

What the Weatherman Forgot to Tell You

Moneen

she said you think nothing's wrong, well there is
I'm scared, I'm not really scared, well i am.
What's mine, what's mine is now yours, I promise.
I can't live this live now.
I don't need it, if i can't see it.
I don't need it, don't want to believe it.
I can't, i will not believe what they say.
They said all we have is two and one half years before all we h
ave will die.
I can't, no i will not live this life now.

Trust your own love.

No, believe what you said, believe what you want to.
