

## Botox

## Money Man

You know it's Crotober  
Every bag way over  
One day the turnover  
Just like I'm Samuel [?]  
Debowin' these niggas too [?]  
You better get motion  
You know it fresh cause it still got the dew on it  
Who want it  
Deep in the west where's there's no signal  
No roamin, we growin, we clonin', we fannin', we stealin  
I put a bullet in him because he stealin'  
Really expensive, this top is expensive  
Come see it, come whiff it, these amazon hit  
These asian hillbillies got me so tipsy  
It stuck up on me baby, now I can feel it  
I got the methods, but I need the check to reveal them  
My bitch got a fluffy, I bought her some persian  
My music too valuable, I can't give out verses  
Yeah

Pound after pound, resident turfs  
Pick up your bitch and then take her to church  
Matter fact, take your bitch to the growspot  
The smell leakin' out your nose it got the block hot  
When I catch plays, you know I got the blick out  
Youngins' with me, they just wanna dole out  
Car from the future, this bitch is a robot  
Cross niggas over, you know we can globetrot  
Glock on my lap this bitch not in the glovebox  
LA bitch servin' me PC like botox  
LA bitch with the piece came to Brazil [?]  
Hot in Nevada, go spin with the fellas  
China man say he got bulbuous outdoor  
I just want indo, don't give me no cheap smoke  
Bigger than life nigga, I'm the Machismo

Yeah  
Plug in Nevada  
That pack be providin, 'I'm trippin, I'm drivin', but fuck it, we ridin'  
Fuck consequences, cause I'm on that timing  
I need new designer, I need me some diamonds  
Out in Denver, I snatched up a load in the Bronco  
This bitch from Toronto, she love my bravado  
This here an AP, I don't do no Movado  
My chain is a ten, and my bitch look like lotto  
We fuck in my condo, we fuck in my penthouse  
You not tryin' [?] you gotta get out  
I'm uppin' my ticket, my za is too flavorful  
Glock with the beam bitch, I pull up and laser you  
I'm not a trick bitch, fuck do you take me for  
Big Money P, no I can't wife a whore

Pound after pound, resident turfs  
Pick up your bitch and then take her to church  
Matter fact, take your bitch to the growspot  
The smell leakin' out your nose it got the block hot
