

Coughing

Money Man

Binary triggers shoot double '
Whatever he buyin', I'm frontin' double
We just alike if you came from the struggle
Loadin' these pounds man this shit was a struggle
I ain't in the trap, come shop in the jungle
If I give you extra, then that mean I love you
Servin' my white boy, that nigga from Austin
He lit that shit up, and couldn't stop coughin'
35 P's in the [?]
If twelve search the car, then I'ma finna get bound
Fuck it, we finna stick to the plan
My arabic plug said he apart of Hamas
I know it sucks, so he lowered the cost
Billionaire nigga from shrooms and crops
Hit up my line, and I ship you a box
Bag for 15 say nothing but capella
We'll come and spin that bitch like some propellers
Burnin' on chocolate, we call it Nutella
I'ma be countin' this broccoli forever
Lightin' up 22 just like it's Adam
Glitchin' the bank out, just like this shit Madden
We stayin' Sonic, I drink by the gallon
I'ma make M's from the [?] housing

[?] them niggas is Muslim
Secret location, got girls out in Dublin
Grow spot be smellin' like cherry and onions
Bilingual trap, I be servin' the Tongan
Crib full of Amazons, I'm sellin' fungus
Burnin' that orang weed I call it Sunkist
Apple Pay, we got schemed up in hundreds
China man pull up and drop off a hundred
Get that shit gone nigga, you better dump it
Lodefs or hidefs, tell me I'll budget
Power bill high, had to make some changes
Gardener school, I got growers in training
Blueberry Mint man this shit tastin' healthy
Fifty bag shipment PB and Jelly
They buy this shit here as soon as they smell it
Eatin' a THC waffle for breakfast
Big Money groovy I shift psychedelic
He ran from the trap, but I never confessed it
Half a M from the crypto, you should of invested
I count up some money to fight my depression
Shootin' myself, I can't pay for protection
Burnin' these mints got my Maybach congested
Oregon, Cali I'm havin' connections
Only big orders, ain't servin' no peasants
