

Crypto Luv

Money Man

(Yung Lan on the track)
Hold on, check that wallet
Ayy, June, what that wallet say? How much profit we done made today?
That shit goin' up, yeah, let's go

She ran up racks, she my lil' [?]
Ten-X the profit, then go buy some choppers
Bae, I'm like Trump and you just like Melania
Profit on Bot, then I go cop some designers
Treat you like some XRP, lil' baby, I'll invest in you
You look like you need some eats from all the shit that you been through
Pull up in a SRT and put you down on X a lil'
You know my buyin' power crazy, baby, I'm not them
She with me ridin', Clock In, Phantom, while I'm in this Phantom
Had twenty racks on me, lil' Frenchie, but that Doge better

She smart just like Nvidia, she like to day trade on them stocks
She say she like a nigga from the streets, I took her to my block
Let me start your Coinbase up and put [?] in your wallet
Bae, I'm tryna put you down and show you how to fill your pockets
BNB and ecstasy, she fuck with me 'cause I got knowledge
This crypto shit I'm talkin' 'bout can make you more than college
This crypto love I'm talkin' 'bout can make you different profits
This crypto world is like my girl 'cause I got different options

An M ain't million, lil' mama for me or my Phantom wallet
I'm Robin Hood wit Robinhood, we got the hood poppin'
On Twitter poppin' shit, they askin' when my coin droppin'
We talkin' millions in this Pepper, this a hood conference

Fuckin' with [?] 'cause they makin' me eighties
I'm on the dash screen, I'm makin' them wages
Have it so easy 'cause I heard you was slavin'
Fuckin' with Shiba, I'm makin' that paper
Know you ain't tryna do this scammin' shit 'cause you a lady
I promise you, you in good hands, girl, this ain't nothin' like Navy
I paid the plug with some Pudgy Penguins
My lil' nigga got racks and still Dilingual
I'm on WhatsApp, nigga ain't even talkin' English
Fuck a Cash App, nigga onto bigger things
We gon' cash out, bet we gon' have a fling
I'ma crash out just for that cheddar cheese
Heard your ex was sleepin' on you, bae, he had you underrated
After I check my [?], I wanna see your ass get naked
I'ma cop a hunnid cash soon, then I might go stake it
Heard your ass was sleepin' on your bitch and now she got the way
If she know some shit that you don't know, then she been with the gang

She ran up racks, she my lil' [?]
Ten-X the profit, then go buy some choppers
Bae, I'm like Trump and you just like Melania
Profit on Bot, then I go cop some designers
Treat you like some XRP, lil' baby, I'll invest in you
You look like you need some eats from all the shit that you been through
Pull up in a SRT and put you down on X a lil'
You know my buyin' power crazy, baby, I'm not them
She with me ridin', Clock In, Phantom, while I'm in this Phantom

Had twenty racks on me, lil' Frenchie, but that Doge better
