

Double Back

Money Man

I know you been workin'
She got Chanel and them Berkins
She got Dior
Cashin' out, I copped another coupe
I pay them extra to chop the root
Took her to go get some Hermes
Post up, we eatin' room sevice
Lil mama know she deserve it
Mercedes truck, I'm talking AMG
Make 'em film with it like it's AMC
I'm pushin' the whip this shit european
I might wake up and fly to the Carribean
We fuck on the beach, she got sand in her hair
Unison Louie, got his and her pair
Gallery jeans on the bottom got the flair
Just paid for this hoodie, it came from D Squared

Blick on my hip, so I'm stayin' prepared
Mittens and beanie, they came from Moncler
Everything I cop it get like one wear
Don't agitate us, you don't wanna go there
That pussy so good that these hoes don't compare
That pussy so good that I had to double back
I don't want that shirt if it's on the clearance rack
We both got on Gucci like we the perfect match
If that wasn't it, told 'em send another back
She fuck with the kid, she say she love a nigga touch
Not cappin' when I say I get that nigga touched
Amiri jeans with the stars on 'em
Big Money be droppin' bars on 'em
Buyin' real estate I'm Grant Cardone
The trenches greet me with their arms open
Hoppin' out I got my charm glowin'
Hoppin' out I got this fire showin', for real
Everybody ain't goin'
I'd rather die than let you take from me
They like hurry and drop a tape Money
Scared money don't make money

They know we stand atop of shit

I know you been workin'
She got Chanel and them Berkins
She got Dior
Cashin' out, I copped another coupe
I pay them extra to chop the root
Took her to go get some Hermes
Post up, we eatin' room sevice
