

## Get Active

## Money Man

Nigga better be on your shit, don't let em distract you  
Better get up off that couch and go get active  
They all have been here for some time, they all have sackers  
Made a 40 from an old Hewlett-Packard  
Got the wave, I ain't trippin'  
On a billion dollar mission  
I be havin' premonitions of them big deposits hittin'  
With the strain' I'm steady burnin'  
Niggas in the hood dyin'  
I spent 30k on clothes, my credit card never declined

I show up late on everything, I'm on colored people time  
I can't ride the bitch, I gotta be one of the main staring five  
I go get it, I don't wait  
My pockets fat, they outta shape  
I spent 4k for my drapes  
I'm sellin' hash in concentrate  
I'm tapped in Medicino  
Twistin' up watchin' Casinos  
Right now the month July, but last night I fucked a Leo  
Matter fact, I hit a trio  
Two was brown, and one was creole  
I'm low, I'm tryna dodge a RICO  
Cuban kilo chain is [?]  
Watch your mouth I bit the scorpion I'll check your ego  
I'm out swipin' while my kids was watchin' Stitch and Lilo  
Met a plug in LA we was somewhere over by Pico  
I'm feelin' safe, I keep heat I'm just like [?]  
Multiple advances, I keep cashin' out  
Yeah I guess it's [?] for life cause we can't hash it out  
Got a bookbag full of handguns, I'ma pass 'em out  
I'm influential, gotta be careful what I rap about  
Fuck it  
I got Fendi on my bucket  
If you try and race me in this dodge, I bet you I'm gonna dust you  
I had flooded outta nowhere and left my lil chick flustered  
I got [?] on right now, and I ain't fuckin' with you custards
