

## Just Like Me

## Money Man

How we gonna hate on each other when we both do the same shit? Or we both trying to do the same shit

Heard you had to move them peas, nigga you just like me  
Heard you had to get it out the mud, nigga you just like me  
Heard you had to do it on your own, nigga you just like me  
Nigga you just like me, nigga you just like me  
How we gonna hate when we just alike  
We Both get money and we rob ice  
We Both got niggas who doing life  
We both had to go and get some stripes  
Nigga you just like me  
How we gonna hate and we just alike  
We both got stripes  
We both risking our life

How we gonna hate when we so alike  
When we both life the same life  
Nigga we both want the same shit  
Nigga we both had to hit a lick  
You had to see the judge me too  
You had to find the plug me too  
You had to sell some drugs me too  
You had to post it up me too  
You had to shoot at an enemy too  
I had to take out my enemies too  
Been through the same shit you been through  
Lil nigga probably times two  
You got to pee on a nigga me too  
We had to do what we had to do  
We had to trap just to make it through  
We had to trap just to buy some food  
Both of us cut from the same fabric  
We had to catch  
We had to weight it up and then bag it  
We had to count it up and then stack it  
We took a loss and got back on our feet  
We had to get this shit out of the streets  
We had to get this shit out of the mod  
I am the plug nigga show me some love

Heard you had to move them peas, nigga you just like me  
Heard you had to get it out the mud, nigga you just like me  
Heard you had to do it on your own, nigga you just like me  
Nigga you just like me, nigga you just like me  
How we gonna hate when we just alike  
We Both get money and we rob ice  
We Both got niggas who doing life  
We both had to go and get some stripes  
Nigga you just like me  
How we gonna hate and we just alike  
We both got stripes  
We both risking our life

There ain't no difference between us  
Should be no hate between us  
See the streets had to feed us

We got people who need us  
You got a Cali pack I got it too  
You got a shooter with you me too  
You got a bad bitch me too  
You tryin' to get rich me too  
Nigga you bossed up me too  
We got them choppas he gonna rob who  
You got that ice on me too  
Nigga you plugged then me too  
I hope you feed the soldiers like me  
I hope you ran it up like me  
I hope you motivated like me  
I hope you tryna ball like me  
When you think about it we the same  
We made our situation change  
We bought foreign cars and them chains  
We wanted money not the fame  
We had to struggle in first  
We had to hustle end now  
We had to risk our lives  
We had to risk our lives

Heard you had to move them peas, nigga you just like me  
Heard you had to get it out the mud, nigga you just like me  
Heard you had to do it on your own, nigga you just like me  
Nigga you just like me, nigga you just like me  
How we gonna hate when we just alike  
We Both get money and we rob ice  
We Both got niggas who doing life  
We both had to go and get some stripes  
Nigga you just like me  
How we gonna hate and we just alike  
We both got stripes  
We both risking our life
