

Make & Model

Money Man

I'm the type to go and get a bag
He the type to go and complain
I got M's I'm going to obtain
Burning nothing but octane
I ain't trying to cuff just any bitch
Going hunting and camping
I got straps on calendars
I got shippers and handlers

What kind of drink you want baby girl come and get you a whole bottle
If you get the newest Porsche off the lot you can get the newest make and model
I ain't trying to get a head from you baby girl unless spit and swallow
He ain't having motion right now his little ass going to get swallowed

I just left Saks Fifth spent the whole dub and ain't even leave a dent on me
I'm the type to pull up Cybertruck with the red guts and serve your big homie
I'm the type to buy a whole bag and hit the club down blow your rent homie
Started down as a dope runner
Started down I been robbing niggas
This ain't come from an option niggas
Know your ass been watching niggas
Nosy-ass niggas pocket watching
Trap house we been cop watching
How he hood he don't cop nothin
Burning premium we stay fogging
New Patek but I stay tardy
STK we don't eat Arby's

I'm the type to go and get a bag
He the type to go and complain
I got M's I'm going to obtain
Burning nothing but octane
I ain't trying to cuff just any bitch
Going hunting and camping

Yacht galas we don't do parties
Bifocals these the new Cartier's
Iron Fist got to regulate
How many pounds got to estimate
Got to keep the mini ARP
Just in case shit escalate
Got to keep a few LEDs
Just to let the plant vegetate
Got to keep a few APs
Even though I be hella late

They going to copy they going to imitate

On the drank I'ma levitate
Sometimes I be tripping out
Feel like we in a simulation
Got to put niggas on game
Sometimes you got to educate

I'm the type that's going to get a bag
He the type that's going to complain
I got M's that's going to obtain
Burning nothing but octane
