

Perfection

Money Man

My plug is droppin' me 100 and I don't ask questions
Lil mama body perfection she give me erections
I told her shut up and hurry up and saw her undressin'
She started ridin' and told me show her directions
Too many snakes in the garden I keep me protection
Too many snakes in the garden I keep me protection
I got them foreigners outside I got me a selection
I work that shit and them kids it come out perfection

There's too many snakes in the garden I keep me a carbon
Too many cars in my driveway I keep me a foreign
My cars is probably the same size as someone apartment
I hit that pressure then I go up just like a martian
My that you cannot cross out a bargain
I go to Houston and ball just like I'm James Harden
Lil mama body amazin' that shit is perfection
She want me to come to her crib and give her an injection

My plug is droppin' me 100 and I don't ask questions
Lil mama body perfection she give me erections
I told her shut up and hurry up and saw her undressin'
She started ridin' and told me show her directions
Too many snakes in the garden I keep me protection
Too many snakes in the garden I keep me protection
I got them foreigners outside I got me a selection
I work that shit and them kids it come out perfection
