Five hunnid for the lows, got 'em by the boat load
Got Navy Feds with the pincode
In the mall, shoppin' with the gringos
Crackin' natural hoes with afros
Get slimed out, get backdoored
Call the institution on trap phones
Made 50k from every bank loan

Bust checks with my BofA plug
East Coast calling, we might pull a rug
Nasty bitch with me, she might set you up
Concierge send the mamacitas up
Fake name, got a high credit score
Duplicatred, I'ma make fifty more
Doubled up on CRO
TRF, pedal to the floor

Couldn't reach your bank account then it disappeared

Million havin' but they ain't wanna see me eat
Platinum song and I'm swipin' every week
Over star rollie touch, now I'm free
Credit profile too juiced up
