Hopeless World

Money

Please don't mistake me for someone I am not
I'm just a strange human looking for love

Do you dare to come down to
My hopeless world
Where I make a strange light
Uncertain and absurd
I'm going to say just how I feel
'Cause I'm tired of things that aren't real
In a hopeless world

I went mad, just stood out on the street
I couldn't see where the people were
They were right in front of me

Because I've never seen such
A hopeless world
It's beautiful
Here at night
When the lights are on
And the drink is in you
And the music's on
And you're not awake
Maybe we could fall asleep
And give up the world
But I just wouldn't know
Who to ask
In a hopeless world
