

Bipolar Virgo

Moneybagg Yo

Bipolar virgo

I need some monies, I need some monies

Paper cuts (Paper cuts), paper cuts

All this money I'm the only one I trust to count it up

They keep both of their hands out but don't be here to hold me up

Too solid you, you can't fold me up

Bipolar Virgo, pour me up

Just pick yo side

Ain't no love no more that's out the door

Hardless flow

In that mode when I was posted at the red store

Mainstream but I still be ready to up the stoke (Yeah)

Fuck what they talking bout I'm top 5 for sure (I stamped it)

SPEAK!

Only if we talking rack or facts, I condone in that

I do take calendars before I talk back

Ain't no cap on that

Nah, I'll never regret my silence too certified

I'm violent

Gotta bitch that I won't play about but I hate when she act childish

Five baby mommas eight kids, shit get real

Thinking bout my brother that shit give me chills

Damn don't you think I got enough problems as it is

Go get it like I did I ain't going broke tryna keep it real

Fuck how they feel

Paper cuts (Paper cuts), paper cuts

All this money I'm the only one I trust to count it up

They keep both of their hands out but don't be here to hold me up

Too solid you, you can't fold me up

Bipolar Virgo, pour me up

Just pick yo side

Paper cuts (Paper cuts), paper cuts

All this money I'm the only one I trust to count it up

They keep both of their hands out but don't be here to hold me up

Too solid you, you can't fold me up

Bipolar Virgo, pour me up

Just pick yo side

The streets don't love you they just take you away from who do

Niggas don't even fuck with they self but want you too

Really was just thinking out loud

When I made that tweet

And I still feel like a pandemic don't exists to me

Real niggas dead (Why?) cause the scared niggas shooting (On live)

Boy don't go against this money (Don't do that) I'll make the nigga poof

All these bitches thirsty now, drinking semen like it's juice

Told Ari that I'd be there, they just wanna know the scoop

Don't come around me with that fake love

Show me the real you

Catch me pouring my problems of pineapple fanta mountain dew

I saw niggas get some money and start acting brand new

Solidified my spot, they can't take it if they wanted too

Paper cuts (Paper cuts), paper cuts
All this money I'm the only one I trust to count it up
