Moneybagg Yo

Gotta keep all your enemies close (Ugh, ugh)  
Most all of my friends is ghost (My friends 'nem ghost)  
My faith in this FN I tote (FN I tote)  
Need to pray for my sins, I know (Ugh, ugh)  
I'm so numb to the pain (Pain)  
Don't even feel it no more (Can't even feel)  
If you my nigga, then you know I love you  
But shit ain't the same no more (Shit ain't for real)  
Before we depart, I don't say, "Be careful"  
I tell 'em stay dangerous, though (I tell 'em stay goin')  
See, these streets come with time (Ugh, ugh)  
Dope and money intertwined (Wow)  
It be the baddest bitches with the worst problems  
She an angel in disguise (Throw it)  
You got a follow to learn how to lead (Damn)  
It's like the blind leadin' the blind (Go)

Bad at livin' this life that I pictured (How you live?)  
Traitors on you, don't wipe with a tissue (I can't do it)  
Before I make a song and diss you (What'll happen?)  
Load the Drac' how I deal with my issues (Fah-hah)  
Know the truth kind of hard to listen  
They really'll kill to be in your position  
I'm deep in that water, these niggas be fishin'  
Actin' and puttin' on a show for these bitches  
For reachin' and tryin', I'm bustin' that iron (Bah)  
I bust down a Rollie, I'm crunchin' the time (Crush)  
Pay close attention to symbols and signs  
I'm one of a kind, that's hard to find (Too rare)  
Bro died in front of my eyes  
At that time, no lie, I wish I was blind  
Don't care if he wrong, don't care if he right  
It's death 'fore dishonor, I'm pushin' 'bout mine  
Say you the set and don't nothin' get stood on  
You can't claim what I claim (Nah)  
You can't hang, give me back your chain  
We don't tolerate snakes inside the game (Ah)  
Don't know if the love real, bitches strange  
She wanted the money, end up with fame  
She hustlin' backwards, got a hundred thousand followers  
But not a dollar to her name, dang

Stayin' dangerous, ridin' with that Draco (Brrt)  
And my killers move when I say so (Move)  
I know niggas wanna kill me, I don't give a fuck  
I don't let it control how my day go (Bitch)  
I know a lot of bad bitches wanna tie me up  
But I control where my face go  
Bustdown Rollie, you know I control the time  
And I control where the safe go (Woo)  
I'm indebted to my niggas, my niggas indebted to me 'cause we dedicated (Gang gang)  
I know niggas could've snitched on me on several occasions, but they never cooperated (Yeah)  
Sometimes I be thinkin' I'd've never lost my brother if the doctor operated (Yeah)  
Sometimes I be thinkin' I'd've never lost my niggas if they weren't incarcerated (I swear to God)
