She shake ass on the gram, time to break the internet
He want attention, chasing clout, tryna break the internet (pussy)
If I upload my account, I'ma break the internet (crash)
If I post a million cash I'ma break the internet
They like damn look at Bagg, he just broke the internet
When she walk she know she bad, she gon' break the internet
Skrrt skrrt skrrt, that whip fast, bet it break the internet

Ayy my bitch look like a Kardash'
She trippin', all in the car mad (why?)
Keep bringin' up hoes from the past

Let me record it on Snapchat (snap)

If they found out who I'm fuckin' I'ma break the internet (hey)
She shake ass on the gram, time to break the internet
He want attention, chasing clout, tryna break the internet (pussy)

If I post a million cash I'ma break the internet
They like damn look at Bagg, he just broke the internet
When she walk she know she bad, she gon' break the internet
Skrrt skrrt skrrt, that whip fast, bet it break the internet

I might just make her my missus (wifey)
Get her some ass and some titties (surgery)
Then I'ma Rollie her wrists (bust down)
