

Can't Help It

Moneybagg Yo

I don't know why
(Young Swerve)

I just might pop me a pill, I just might fuck on a dyke (I just might do that shit)
I just might pour up a four, I just might call it a night (I just might do that shit)
I just can't help it (Yeah, I can't), I just can't help it (I just can't help)
I just can't help it (I just can't help it), ayy, I just can't help it
Ayy, money just keep on pilin', at my lil' shows, they be wylin' (Goin' so loud)
I can not help that I'm saucy, I can not help that you milin' (You just a mile, fool)
I just can't help it (Hey, I can't help it), I just can't help it (Why you do that, uh?)
I just can't help it (Why you do that, Yo?), ayy, I just can't help it (No, no)

Fucked off some money on a thirsty ho'
I was trippin' off some high shit (Ayy, watch out, lill' bitch)
She was on some, tryna be my bitch (Yeah)
I was off some fuckin' Taliban shit (Uh, uh, uh, uh)
Give me that, that, and this, that, and that
I don't know, I just buy shit (I just get this shit)
Even if it ain't a robbin' sack (What?)
I'ma stay up on some fly shit (Hey)
Just fucked a bitch to go both ways
'Cause she gave me the okay (Come on, let's do it)
Can't do no series after that, hell nah, baby, no way (No way)
Can't help what my attitude is, man (I can't)
My drug fucked up (It's fucked up, man)
'Cause one minute, they say they love you, man (Hey)
They be quick to change up (Hey, hey)
Now the money got me talkin' jazzy, I can't help that I ain't have it
Yeah, I can't help that I slept on the floor
To put money underneath the mattress, hey (It's in though)
I can't help it, I pop me a tablet and fuck the girl, just like a savage
I can't hear how she callin' me zaddy, I can't hear how she nasty

I just might pop me a pill, I just might fuck on a dyke (I just might do that shit)
I just might pour up a four, I just might call it a night (I just might do that shit)
I just can't help it (Yeah, I can't), I just can't help it (I just can't help)
I just can't help it (I just can't help it), ayy, I just can't help it
Ayy, money just keep on pilin', at my lil' shows, they be wylin' (Goin' so loud)
I can not help that I'm saucy, I can not help that you milin' (You just a mile, fool)
I just can't help it (Hey, I can't help it), I just can't help it (Why you do that, uh?)
I just can't help it (Why you do that, Yo?), ayy, I just can't help it (No, no)

Man, I'm true to all this shit I'm reppin' (I'm true to this)

If you play with it, it can get hectic
She don't want you, but want me, I can't help it (I can't help it)
Hol' up, diamonds lookin' like they Swae Lee (Woo)
Started hot in here, all you paisleys (You paisleys)
Fendi belt, grip the weapon (Za')
My niggas on go, I can't help 'em (I can't help 'em)
Show up at your front door, I can't help you (I can't help this shit)
I play with them blocks, like it's Tetris (I block 'em up)
That's that struggle in me, that's that trap in me (Woo)
Put the move on the dope, hit 'em with the bullshit
Can't help, they finessin' me, hey (What you doin'?)
Now a young nigga walkin' straight in the store
Yellin' "Fuck what it cost" (Ayy, fuck the price, homie)
Hol' up, protect me, Lord, from these devils
I went and put ice in the cross (Hallelujah, amen)
Nigga, swag so boss
Sent him somethin' that's prescribed for a cough (Yeah)
Swear to God for literally nothin'
Them hitters will blow out your dos (Bling, bling, bling)
I'm still war with your bitch, dawg (Bitch, dawg)
We ducked off (What y'all doin')
Decapitated your bitch, dawg (What you do to 'em?)
Now the top off (Hey, hey, hey)

I just might pop me a pill, I just might fuck on a dyke (I just might do that shit)
I just might pour up a four, I just might call it a night (I just might do that shit)
I just can't help it (Yeah, I can't), I just can't help it (I just can't help it)
I just can't help it (I just can't help it), ayy, I just can't help it
Ayy, money just keep on pilin', at my lil' shows, they be wylin' (Goin' so loud)
I can not help that I'm saucy, I can not help that you milin' (You just a mile, fool)
I just can't help it (Hey, I can't help it), I just can't help it (Why you do that, uh?)
I just can't help it (Why you do that, Yo?), ayy, I just can't help it (No, no)
