Doin' It

Moneybagg Yo

Damn, ooh, she got ass on her
Got the trap, can't deny, I can't pass on her
I'm like fuck it, I might cuff it, then brag on her
Fuck Mini's, we at Fifth's, I blew a bag on her
She rockin' Chanel, she doin' it
Her hair and her nails, she doin' it
She get what she want 'cause she doin' it
She always on point, she doin' it
On call, on house, she doin' it
Her credit aight, she doin' it
She can fuck her all night, she doin' it
She earnin' stripes, she doin' it

Yeah, fuck me like you 'posed to, I'ma go fuck something better
She just wanna eat it off the bone and I'ma let her
She want me to whip it out so she can bend it over
She want me to fuck her like I own her and I choke her
Shakin' that ass, I like how she doin' it
Yeah, she gettin' and I like how she move it
She do what she want, she breakin' the rules
And that lil pussy stay wet as a pool
Yeah her bag Chanel, she rockin' Phillipe
Her hair, her nails is always on fleek
Shawty the type to fuck you to sleep
Then clean up the house and cook somethin' to eat
I call her Evette, I'm comin' like Jodi
She pop pills 'cause she don't like smokin'
Takin' pictures with her ass out, posin'
Shake it, put that ass in motion
She do it, she do it good
She smart but she from the hood
She get money, that's understood
Like a nigga that lay the wood, yeah

Damn, ooh, she got ass on her
Got the trap, can't deny, I can't pass on her
I'm like fuck it, I might cuff it, then brag on her
Fuck Mini's, we at Fifth's, I blew a bag on her
She rockin' Chanel, she doin' it
Her hair and her nails, she doin' it
She get what she want 'cause she doin' it
She always on point, she doin' it
On call, on house, she doin' it
Her credit aight, she doin' it
She can fuck her all night, she doin' it
She earnin' stripes, she doin' it

She might get all my ones if I tip her
I fell in love with a stripper
I'm at V-Live, I can't deny
If she bad, I'ma hit her
She say her brother the plug
I worked me a jugg down the middle
I said I was straight
But the ass on her make a nigga reconsider
Yeah, damn, ooh
She got that thang from her mama

She might beat a bitch
But really she want money, fuck the drama
She gon' hold her nigga down
Knowin' he ain't shit, she a hundred
She make plays and call the shots
She a boss bitch, she ain't a runner
Might fuck up a check on her, check on her
I'm grippin' her neck on her, neck on her
She fuckin' on me like she care 'bout me
She say she don't give it to everybody
She got goals, she pursuin' it
Name it and I bet she doin' it
I'm throwin' up cash and she pick it up
I'm lovin' this moment, don't ruin it, yeah

Damn, ooh, she got ass on her
Got the trap, can't deny, I can't pass on her
I'm like fuck it, I might cuff it, then brag on her
Fuck Mini's, we at Fifth's, I blew a bag on her
She rockin' Chanel, she doin' it
Her hair and her nails, she doin' it
She get what she want 'cause she doin' it
She always on point, she doin' it
On call, on house, she doin' it
Her credit aight, she doin' it
She can fuck her all night, she doin' it
She earnin' stripes, she doin' it
