

DRUNK OFF U

Moneybagg Yo

Yeah

You like a

You like a shot of Del Dia

Know what that is?

Ever since the day I met you at the Quick Stop

Been gone off, you don't wanna detox

Swearin', starin' at yo' body parts

You know shot o'clock is when the party starts

Go

Round one, that's you and me

Round two, tell me what it's gon' be

Long as I got you and this cup I swear that's all I need

All I need

Feel like I took two green tea shots

Drunk off you, guess I got a low tolerance (Tolerance)

Dope dick, deep strokin' yo' G spot

Uh

High off me, I'm yo' drug, yo' medicine

Yo healin'

I'on need you, but I want you

No lie

And I say that bein' humble

For real

You got the bag, better not fumble

Don't do that

Can't fall for you, might stumble

Trip off you

Just had told you it was fuck you

Now I'm blowin' up your number

Damn

Now I'm 'bout to call yo' mama

Off you, I'm intoxicated, faded, swervin', vision blurry

I'on think I should drive

Past my limit got me drunk on you

Off you

(Off you) Casamigos ain't got shit on you

On you

On you (Oh yeah)

Past my limit got me drunk on you

On you

On you

Casamigos ain't got shit on you

On you

On you

On you

I'on need no chaser, I'on need no ice

Straight

Oh, yeah

Text "SOS" tryna smash on sight

Right now

Oh, yeah

It's different when I'm sober

But it's you got me talkin' out my top

Raw

I'm the type to be drunk and say I'm not
Lyin'
Where you at? I'm tryna fuck, just send yo' drop, right now
Lane switchin' from side to side, prayin' I don't get a DUI
(DUI) At this point, I'm just speakin' my mind
I'll curve you 'fore I tell you a lie
All night
Guess you a ho vibe, I
I need it tonight, I
Don't think I can fight it, fight it, fight it

I'm addicted like Hennessy, you're the cup of the Sprite
And I'm drunk off your lovin', yeah, I need it for life
You tell me you love me, hope it's not for the night
'Cause I been down that road

Past my limit got me drunk on you
Off you
(Off you) Casamigos ain't got shit on you
Ain't got shit on you (On you)
On you (Oh yeah)
Past my limit got me drunk on you
On you
On you
Casamigos ain't got shit on you
On you
On you
On you
