**Moneybagg Yo**

I'm fresh out the block  
I took cash out these streets to invest in my rhymes (I did that for real)  
I'm puffin the weed, my feet kicked up thinking about past times (Just thinking about shit)  
All the bitches that I dogged (Damn for real)  
All the niggas that I lost (For real for real)  
Fake friends I cut off (Why you did that?)  
All them crosses I had to cross (Ayy)!  
Then I met my nigga Elo (I miss you fool)  
He just wanted some chips like fritos (He did)
