

## Fadeaway

Moneybagg Yo

How you know where you comin' up and shit right?  
It's like you niggas get [?] and shit  
Young Swagg  
Bitches don't be the same no more  
It's like everything just get faded away and shit  
Shit crazy  
Yeah

They don't like it, they don't hear the state ([?]), probably wanna see me dead or with a case (huh)  
Going extra hard, tryna pave the way (mine) for my kids and niggas from the day one day (my day one people)  
Damn, I wish Sleepy could see this shit (damn), told my last hoe I don't need a bitch (I don't need you, ho)  
Told my niggas I came up and grew up with (you can have it), you can hand me your watches, get filthy rich (for real)  
But some of them niggas did fade away (damn), like a MJ shot, I hate to shake 'n bake 'em (I had to get 'em)  
I saw you on the interstate (swerve), then fade off like the barber did my table (I'm gone)  
Never fucked a batty ho, nigga (no), ho comin' then they go, nigga (they do)  
That's why I fuck 'em, then they fade away (haha), but they really here to pay and not to stay (hahaha)  
Like Boosie, we Goin' Thru Some Thangs, don't nobody understand it, mane (nobody understand it)  
Spent a couple thou' on a pinkie ring, give that bitch the speaker to say "bling blang" (bling blaow)  
Or a [?], and watch me fade away (woo), free all my niggas that's caged away (woo)  
R.I.P. for those that ain't here today (bitch), my goal is only just days away (for real)  
Hey

I got that no fadeaway (that fadeaway)  
These bitches might fade away (these bitches might fade off)  
Real niggas don't fade away (never)  
My jewellery don't fade away (never)  
Th-th-these bitches might fade away (no, oh)  
My jewellery don't fade away (no, oh)  
Real niggas don't fade away (no, oh)  
I got that no fadeaway (no, oh)  
I got that no fadeaway (hey)  
Real niggas don't fade away (never)  
These bitches might fade away, yeah (hey)  
My jewellery don't fade away, no (no, oh)  
I got that no fadeaway (hey)  
Real niggas don't fade away, no (never)  
These bitches might fade away, yeah (hey)  
My jewellery don't fade away, no (oh)

I just blew some money at the gallery (I swear), my bitch like "you so materialistic (fuck this shit)  
But bitch, we came down with this money, ho (huh), it gon' fade away anyway, be realistic (you know what)  
I'm so determined while I'm on this mission (I swear, nigga), I was so sick of roses and the dishes (I've had it in)  
Selling bowls and midges, then I whip it, whip it (whip, whip, whip), becoming

n' like a chef, make money out the kitchen (hey, hey, hey)  
I fuck with my Jordan's the long way (long way), keepin' VVS's in my braces  
(I said it, nigga), and my niggas  
Since we talkin' 'bout them alphabets (what), the AK fade you away for talki  
n' reckless (rrraaar)  
Spent some money on a petty bitch (petty ho), she faded off out the bottle s  
ome, that was so petty, girl (petty ho)  
Got the toes on that real bitch (what you call it?) That's what us street ni  
ggas call a pedicure (hey)  
Keep my head up at all times (all times), stack, stack some bread up from al  
l the grind (all the grind)  
A bitch look like Megan, and she all mine (all mine), sippin' different colo  
rs, drinkin' all kinds (all kinds)  
Throwin' money in the bed like a jumpshark, fade away, fade away, fade away  
(swish)  
He ain't shit, that's somethin' that a hater would say (haha), and fuck, the  
y gon' hate anyway (anyway)

I got that no fadeaway (that fadeaway)  
These bitches might fade away (these bitches might fade off)  
Real niggas don't fade away (never)  
My jewellery don't fade away (never)  
Th-th-these bitches might fade away (no, oh)  
My jewellery don't fade away (no, oh)  
Real niggas don't fade away (no, oh)  
I got that no fadeaway (no, oh)  
I got that no fadeaway (hey)  
Real niggas don't fade away (never)  
These bitches might fade away, yeah (hey)  
My jewellery don't fade away, no (no, oh)  
I got that no fadeaway (hey)  
Real niggas don't fade away, no (never)  
These bitches might fade away, yeah (hey)  
My jewellery don't fade away, no (oh)  
No (oh), no (oh), no (oh), no (oh), no (oh), no (oh)  
No (oh), no (oh), no (oh), no (oh), no (oh), no (oh)  
No (oh)
