Moneybagg Yo

Your call has been forwarded to an automatic voice message system

What you doing lil bruh?
This Zeebo, you never answer ya phone
I know you locked in
Got this label on ya back
Let's do it man keep going, love

Hey just checking on you to see how you doing
Don't let anything or anyone get in your way
Cause it's only up from here

Ayo Bagg, wassup
This Gotti man I'm just calling to check-in on you lil bro
I know you know we come from a place man
Where instead of letting pain become a distraction
We gotta let learn how to live with it, adapt to it, and use it
for motivation
Pain weakness if you allow it and it's strength if you use it correctly
Nah mean?

Hey daddy this De'Mya
I miss you, I wish I could see you
And you the best daddy in the whole world

Wassup dad, it's me O'marrion
Hey, we just wanted to call to see what you was doing

Hey dad, I miss you and I love you and I wish you was here
So we can play roblox

Hey dad this me Mario and we so proud of you dad
We love you, aight bye

Hi daddy, love you
