

## My OG

Moneybagg Yo

OG

I'm OG

See the problem, these niggas weren't raised right

I can't blame you, I gotta blame your OG

Know what I'm sayin?

Your OG a fuck nigga, what I expect you to be?

I'm OG

You know what I mean?

My OG once told me money go hand in hand

My OG once told me bitches go man to man

My OG once told me you gotta feed your fam

My OG once told me you never cross your man

My OG once told me money go hand in hand

My OG once told me bitches go man to man

My OG once told me you gotta feed your fam

My OG once told me you never cross your man

My OG told me stay the same

You better not ever change on me

Still the same nigga to this day

And right now got plenty change on me

He told me some people might change on you

But you can't let that affect you though

Get your money, take care your folks

Turn the bread to some loaves

And if they hating on you, young nigga turn up on 'em

Make 'em hate you some more

Make them niggas wanna kill you

(What you gon' do?) go fuck on they ho

Go buy a whip and another watch

Another chain and another Glock

They don't want beef, they [?]

Really wanna be me, why they cappin'?

Don't rush shit, put your time in it

Hustle hard, put your grind in it

He told me stay loyal to the same niggas

That been fuckin' with you

My OG once told me money go hand in hand

My OG once told me bitches go man to man

My OG once told me you gotta feed your fam

My OG once told me you never cross your man

My OG once told me money go hand in hand

My OG once told me bitches go man to man

My OG once told me you gotta feed your fam

My OG once told me you never cross your man

I'm OG (OG), I'm OG (OG)

I'm OG (100), so OG (emoji)

I'm OG (OG), I'm OG (OG)

OG (hundred), emoji

Told me keep my face clean

Gotta keep my Wraith clean

Gotta keep my safe mean

Hundred racks at eighteen

Shot a nigga at sixteen  
Fucked a bitch at thirteen  
Fucked 'round, got that lil ho pregnant  
Nigga that was the worst thing  
OG told me man up  
So I ran them bands up  
Told me them niggas gon' start hating  
And they can't stand us  
OG never led me wrong  
Shit was gone for too long  
OG told me stay strong  
You a man, you on your own  
[?] apartments  
Shady [?] drive, that'll always be my home  
And that'll always be my throne  
Even after all this shit gone

My OG once told me money go hand in hand  
My OG once told me bitches go man to man  
My OG once told me you gotta feed your fam  
My OG once told me you never cross your man  
My OG once told me money go hand in hand  
My OG once told me bitches go man to man  
My OG once told me you gotta feed your fam  
My OG once told me you never cross your man

I'm OG (OG), I'm OG (OG)  
I'm OG (100), so OG (emoji)  
I'm OG (OG), I'm OG (OG)  
OG (hundred), emoji
