

# Nun Like Me

Moneybagg Yo

Mm-mm, uh

I been 'round this street shit my whole life  
Nigga better blow they pipe, yeah  
They out here cappin', don't believe the hype, yeah  
When it come down, my brother, I ride for life, yeah  
I don't give a fuck if my nigga wrong or right, yeah  
I know you ain't even like that (Nah)  
Play, you get your life snatched (Took)  
Nigga, I'm talkin' 'bout right now  
Dodgin' federal indictments, catch a case and we fight that  
Time with my kids, that's priceless  
Richard Mill' on my right wrist  
I really come from gangster shit  
Promise, you ain't nothin' like me (None like me)

I keep hearin' rumors (What kind?)  
They can't wait to catch me  
Before I let 'em scope, I'ma blow, we can be on Beale Street (Bop)  
Ain't no fakin' in my conversation, this the real me  
So when I say I'm ready for whatever, you should feel me  
I'm spendin' money on funerals, lawyers  
Niggas who talkin', they spendin' a quarter  
Niggas who talkin' ain't even ridin' for you  
Who can we trust? They playin' both sides (Me)  
I put my trust in this motherfuckin' fire (Nine)  
You showed your hand, I saw the sign (Sign)  
You not my kind, I can't fuck with you (Nope)  
Pour me a line, then I forget you (So fast)  
I got niggas on the same team as me, slick hatin'  
Thinkin' I don't know, okay, cool, I'ma play fake with your ass  
Gotta accept this shit for what it is, I can't even be mad (Nah)  
Bitches gon' choose and the niggas gon' hate when it come to Baggy

I been 'round this street shit my whole life

Sit patient on that get back for lil' bruh, bet I'ma get mine (Wait)  
I know this shit take time, take ten of yours, you take mine  
Don't rep the gang, don't wear that chain  
Nigga, you ain't gon' take what come with it (Fake)  
Nigga, you 'posed to hop out with it  
Nigga, you ain't tryna stand on business  
I don't need to settle niggas (Never did)  
I don't need to click with gang (I'm dolo)  
Jumped off the porch, lit up the torch and made myself a name (Baggy)

Funny how these hoes swear they love you, but'll fuck on any mans (That's cr  
azy)  
And'll tell you anything (Whatever)  
Long as you listenin' (Yeah, I'm him)  
I ain't tryna fix what's broken (Nah)  
You can keep your distance (I'm straight)  
And I ain't in competition with niggas, I'm just consistent (I'm workin')  
Playin' on the internet, dissin', boy, you trippin' (Trippin')  
Make me put some bread on top of your head (A loaf)  
Call you, "Lil' biscuit"

I been 'round this street shit my whole life
