

Public To Know

Moneybagg Yo

Shh, ayy, ayy, be quiet
Hahaha
(Young Swerve (Young Swerve))
Keep it to yourself, don't even say nothin'
Yeah, yeah
(DMac got me too bangin')
I ain't tryna tell nobody
Don't nobody know

Still in and out of the streets, you don't want the public to know (Supposed to me movin' the—, brr)
Still gettin' it in with the dope, you don't want the public to know (Shh, be quiet)
We gon' fuck and some more, you don't want the public to know (I swear, hol' up, hol' up, don't say nothin' 'bout it)
Nah, nah, nah, don't want the public to know (Hey, hey, hey, hey, say nothin')
Still in and out of the streets, you don't want the public to know (Still gettin' it in)
Still gettin' it in with the dope, you don't want the public to know (That den is for real)
We gon' fuck and some more, you don't want the public to know (Shh, respect, be quiet, baby)
Nah, nah, nah, don't want the public to know (Hey, hey, no)

I just scrapped for some bills and I ain't even tryna tell nobody (Shh, ain't tryna say nothin')
Pretty chain like Mr. T, and you can say my checks is very crowded (Place is hangin')
Tryna wait 'til I fall asleep (What?), you put me all on your Snapchat (Woah, hol' up, baby, hol' up)
I'ma cut you off quick, 'cause, hell nah, I ain't with that (I ain't with that, ho')
I'm fuckin' bands up on the low (I did), I just did that shit for sure (I just beat it, for real, hey)
Got a pretty but thirsty lil' ho' (Haha), won't see her, 'cause she ain't for show (I can't show her, I can't show her to you)
Nah, I just hit her with the monkey emoji, keep your mouth closed (Don't say nothin', baby)
Don't let your friends know you bein' here, when y'all fall out, you exposed (Don't say nothin', baby)
Yeah (Yeah), I just bought the bitch a meal
Then she turned up off a pill (She did that, for real)
Hey, I did that shit like Pharrell, I got a TEC, keep it concealed (Uh, uh)
I just downed like four bills (Four), then keep it low to the Earth (Low to the Earth)
I'll get you that Chanel bag, but don't say I bought you that purse (Yeah)

Still in and out of the streets, you don't want the public to know (Supposed to me movin' the—, brr)
Still gettin' it in with the dope, you don't want the public to know (Shh, be quiet)
We gon' fuck and some more, you don't want the public to know (I swear, hol' up, hol' up, don't say nothin' 'bout it)
Nah, nah, nah, don't want the public to know (Hey, hey, hey, hey, say nothin')
Still in and out of the streets, you don't want the public to know (Still ge

ttin' it in)
Still gettin' it in with the dope, you don't want the public to know (That d
en is for real)
We gon' fuck and some more, you don't want the public to know (Shh, respect,
be quiet, baby)
Nah, nah, nah, don't want the public to know (Hey, hey, no)

Know you want a nigga, want some action with me (Let's do it)
I see it all in your eyes (I see it all in your face)
I just want a session, I just want a text
And, boy, we gon' keep it quiet (Shit ain't gon' say)
Wanna know what you doin', wanna know how you do it (What?)
They tryna figure you out (They tryna figure you out)
I'm sellin' this and that, I got this gone (Don't say nothin')
Don't let that shit come out your mouth (Don't say that)
In the trap, you the one with the dope (You here)
Better watch all the shit that you post (Shh)
I made that bitch feel like it's dead (Don't do that)
If you don't wanna pull it, then know (I swear)
'Cause she gon' let that shit be known (I swear)
Screenshots, I'm FaceTimin' her phone (It's a yes)
All them times that you didn't make it home (It's a yes)
You or later with her in a room (Ha)
Love a bitch that know that she the action (I love it)
Nothin' more, just know that she the action (I love it)
See you out in public with your main bitch
Might speak and walk right past you (You feel?)
Don't tell your niggas how you fuck your bitch
'Cause he'll get curious (I swear, I swear, hol' up)
Don't lay up and pillow talk with these hoes (What, why?)
'Cause shit'll get serious (For real, for real)

Still in and out of the streets, you don't want the public to know (Supposed
to me movin' the-, brr)
Still gettin' it in with the dope, you don't want the public to know (Shh, b
e quiet)
We gon' fuck and some more, you don't want the public to know (I swear, hol'
up, hol' up, don't say nothin' 'bout it)
Nah, nah, nah, don't want the public to know (Hey, hey, hey, hey, say nothin'
)
Still in and out of the streets, you don't want the public to know (Still ge
ttin' it in)
Still gettin' it in with the dope, you don't want the public to know (That d
en is for real)
We gon' fuck and some more, you don't want the public to know (Shh, respect,
be quiet, baby)
Nah, nah, nah, don't want the public to know (Hey, hey, no)

Don't want the public to know, hey
Don't want the public to know, hey
Don't want the public to know, hey
Don't want the public to—
