

## Quickie

Moneybagg Yo

(SkyDiddy)

She got that, that make you sing to her

That lil' pussy got some power, I can't lie it got me weak (Open)  
Fresh up out the shower, she look good enough to eat  
That lil' pussy got some tricks, grip my dick when it squeeze  
Ooh them quickies be the best, got my Amiri's to my knees (Uh, uh)  
Said she ain't gon' fuck on nobody if it ain't me (Forreal)  
At least that's what she tell me, you know how these hoes be (For the moment  
)  
That lil' pussy fire, don't give a fuck if she lying (So)  
That lil' pussy costs, she get sumn from me every time

This gotta be lust my feelings ain't strong as my mind (Never)  
Cut back off that lean got high as fuck off half a line (Lil bitch)  
Came from different planets then one day we intertwined  
We relate on different levels we got compatible signs (Match up)  
This lil' pussy freaky, tryna keep this one a secret (Shh)  
How the fuck I switch addictions feeling like I need it  
I ain't gon' lie, that pussy better when her and her nigga beefing  
Told her make a wish "Eleven, eleven" what she tweeted  
Let me be yo genie  
Sneaky link and we don't tell it  
Kissing, touching, breathing heavy  
Foreplay session got you ready  
Beat it, but I don't support domestic (No)  
Ever heard of soul ties  
My life a highly rated series  
This lil' episode live
