

Relentless Again

Moneybagg Yo

Yeah

Ayy, I'm in the relentless stage of this shit
Once again, yeah

Don't know how I talked 'bout money back when I was poor (How you do that?)
Had to speak it to existence like a magic show (Abracadabra)
Ain't never been selfish (Never, never)
But I also never had shit (Never again)
In my head, I wasn't average
Smokin' lil' blunts but I never was embarrassed (Skimp)
Never liked to play the game on easy
Like you my attorney, no matter what, you believe me (Trust)
Gettin' crossed cut deep, internal bleeding (Hurt)
Bad vibes 'round me, I ain't need them (Nope)
My niggas don't know this, but sometimes (What?)
I ride low-key with a big iron
I just wanted to feel normal one time (One time)
On life, I'ma go when it's crunch time (Take off)
Exes in my DM, see them, look, I'm a whole new nigga (Look at me, ho)
But it's always one bitch who stay down, so I labeled her realer (Trill)
I see you throwin' shots on your Insta-Snap
Ayy, I don't fight hoes but can get you slapped (Play)
You ain't livin' like that, bitch, chill out (Chill out)
Ayy, you ain't livin' like that, bitch, chill out (Hold up)
Hoes dreamed to come up off a nigga, they just lookin' at you as a ticket
When they took the Act', it's like I lost my nigga, you might say I'm trippi
n' but I miss it (I miss it)
Had shootouts with a frenemy, thinkin' I'ma kill him when I catch him (On li
fe)
He got locked up by the grace of God, if they let him out I'm gettin' at him
(Ain't forget)
Ayy, fuck Moneybagg Yo, he a ho, he ain't never did shit
He ain't this, he ain't that, ayy, yeah, I hear you bitches talkin'
Yeah, through the internet
I'm everywhere they say I can't go
I'm doing everything they said I wouldn't do
I'ma keep my feet in these bitches' chest
And I ain't lettin' up
I got niggas in they feelings (How?)
'Cause I ain't giving out handouts (What else?)
I got hoes pourin' dirt on my name (Damn)
'Cause they know I got a bag now (What they do?)
Tryna infiltrate the squad
Makin' up shit, knowin' it ain't accurate (Foul)
Bitches be fuckin' for Jordans
Thinkin' they important, knowin' they ain't havin' shit (Ah)
Just cleared three million, nose in the ceiling, I ain't got no feelings (I'
m up)
And still fuck around, hamper full of dope, you think it got clothes in it
I'm in here now on some more shit (More shit)
Diamonds ocean, they in motion (Water)
I'm like Wiz how I'm smokin' (Choke)
Kush stinkin', halitosis (Woah, shit)
Niggas fuck off but want they bitch perfect
You bought her this and that, she ain't worth it
Sackin' up dope and shit but you ain't serve it
Sing when that pressure on, you was nervous

They see what I spend, I make 'em go in
That high-class living a trend (Right now)
How you gon' fold somethin' that don't bend? (Huh?)
Ayy, I'm relentless again (I'm here)

Ayy, look, I'm back on it
See I know what y'all thinkin' when I said, "Reset"
That that was just a title or some shit to y'all
Nah, I'm talkin' 'bout like
I was really gon' put myself back at the beginning stage of the shit
How I came in with that hunger, that aggression (Talk to 'em)
Yeah, relentless
