

# Thug Cry

Moneybagg Yo

(Tahj Money)

(Think we found a loophole)

How they gon' judge me? (How you do that?)  
They don't even know me (They don't even know me)  
They say money changed me (Tell me how)  
But I'm still the old me (Right now)  
I'll never change, I'll never switch up on my homies (I can't never)  
I can't take your word  
I'm just goin' off everything you showed me (That speak louder)  
All I need, double cup and weed  
The only thing that stop me (Slow me up)  
'Cause I've been goin' through it (Through it, man)  
You don't even know it (You don't even know it)  
When shit get deep  
I might shed a tear while I record (Why you gon' do it?)  
'Cause I miss my boys (The gang)  
Smokin' got me paranoid (Yeah, yeah, hey)

I remember sleepin' on the floor, me and cuz  
That was way back 'fore you knew who I was  
2015, I was lookin' for a plug  
Everything I got, I had to dig it out the mud  
I done made some real bad choices with my life  
And I knew I wasn't right but I ain't feel no love  
Is what it is, I done done what I done  
Ain't nobody perfect, who the fuck is you to judge?  
I feel dead (Numb to it all)  
But I'm alive (Still standin' tall)  
When you stand on truth, give it to 'em raw  
You can't tell no lies (You can't show no flaw)  
Lookin' at the sky, thinkin' 'bout the guys  
I still hurt inside (Still hurt inside)  
Every tear you see, that's somebody died  
It's blood when I cry (Murder in my eyes)  
I'm still thuggin' 'round here with the same old circle (Bread gang, bread gang, bread gang)  
Joe my nigga forever, 'bout him, I'll murder (Big fire, flame, gang)  
Y'all just see a nigga shinin' now  
But I had to grind with him (I had to grind with him)  
If it came to it, Rowdy Rebel, Bobby Shmurda  
I'll serve the time with him (Do it out of love)

How they gon' judge me? (How you do that?)  
They don't even know me (They don't even know me)  
They say money changed me (Tell me how)  
But I'm still the old me (Right now)  
I'll never change, I'll never switch up on my homies (I can't never)

'Cause I miss my boys (The gang)

Smokin' got me paranoid (Yeah, yeah)

I know you might think (What?)  
A nigga like me (Rich) don't go through anything  
But that shit ain't true  
I got real problems like you  
Sometimes I don't know what to do (No)  
I wear the weight of the world on my shoulder  
Stressin' 'bout shit that I ain't got control of  
Can't make the time to do nothin' I wanna  
I just get high, I can't deal with it sober  
Up there alone  
This world so cold (World so cold)  
I was ridin' solo, swear to God I saw Elo (Thought I seen a ghost)  
Never been the same since the day I seen him layin' in the cold (I can't let  
it go)  
Smokin' to the head while I'm lookin' out the window of the Rolls  
Seem like it never got old (Goals)  
Niggas be tellin' these bitches 'bout business  
I play it safe so I'm keepin' my distance  
Too much lean fuckin' up my kidney  
Check the murder rate before you come to my city (It's violent)  
Gotta move right, 'specially when you know what's up (Paranoid)  
Clutchin' for no reason, tweakin'  
I'm thinkin' somebody followin' my truck

How they gon' judge me? (How you do that?)  
They don't even know me (They don't even know me)  
They say money changed me (Tell me how)  
But I'm still the old me (Right now)  
I'll never change, I'll never switch up on my homies (I can't never)
