

Time Today

Moneybagg Yo

I just looked at my wrist I got time today
Fuck it I'm crossing the line today
The hate be so real the love be fake
Be bumping they gums and bumping my tape
Don't go against me then ask for my help
Go get out ya feelings and get it yaself
Might got the same shoes but you ain't gone step
That shit that you just put out you could have kept

Yup, she gotta nigga he gotta share (why)
You can't compete where you can't compare (period)
She ate the dick through my underwear (ugh)
Got up and got herself outta der'
I see they put me on memes and things
Don't speak on my life without knowing the real
8 figures a year what it cost me to live
Don't hold it just say what you feel
But watch yo mouth fo' I fly out ya bitch
(Where) to a place that she didn't know exist
Mediterranean water my wrist
Keeping em' pissed how I'm talking my shit
Six figure check for a show man I'm lit
Let's celebrate now my bag legit (let's go)
These niggas with me wit wateva' I'm with
Didn't know who did it got erbody hit, bitch

Ion like niggas, ion like bitches, ion like nobody
We can get gangsta, we can keep it cordial
How you wanna go bout it (how you wanna do it)
Ion back track, man fuck dat ion miss nobody (ion miss nuthin)
Left it on scene ion, aim right back, ion trust nobody

I just looked at my wrist I got time today
Fuck it I'm crossing the line today
These bitches a cry and be lyin in ya face
Slicker than us gotta know how they play
If the money wasn't straight she wouldn't be here today
Ain't it man, sure know what to say
You ain't me so it's hard to relate
How much cash I fuck off everyday (big bag)

Don't play with me baby go play with ya pussy
You seen him in person these niggas be shookey
A huncho it cost you a Quavo to book me
I'm worth it the proof in the pudding
Surrounded by bitches (fo of em)
I'm looking like William but that ain't my girlfriends
Bro and them done spin on ya block back to back
When they finish it look like the world end
I ain't ask for it they did it to me
Niggas exposing their hands for free
Get caught in the middle that's bullseye (you can get it to)
You got hit but we were targeting he (him)
Popping my shit with a capital P
SRT red r red key (vroom)
Might be ugly but my bitch precious (bad)
She ain't even sneeze but still I bless her (ahchoo)

Ion like niggas, ion like bitches, ion like nobody
We can get gangsta, we can keep it cordial
How you wanna go bout it (how you wanna do it)
Ion back track, man fuck dat ion miss nobody (ion miss nuthin)
Left it on scene ion, aim right back, ion trust nobody

I just looked at my wrist I got time today
Fuck it I'm crossing the line today

I just looked at my wrist I got time today
Fuck it I'm crossing the line today

I just looked at my wrist I got time today
Fuck it I'm crossing the line today
