Moneybagg Yo

Pull up on a hater  
Ask him what it do  
Really want to go to war with me  
You want my autograph nigga  
You want to take a picture with me  
Want me to drop a single with you  
I just want to know the truth  
Really-really want the truth  
The fans want to know the truth  
The bitches want to know the truth  
The city want to know the truth  
We just really want the truth  
Tell the truth [x4]  
Cause I'm sick of the lies nigga  
We just want to know the truth  
Everybody want the truth

Tell the truth [x3]  
You know I'm better than you  
When I put these clothes on, don't I look flyer than you  
Is you mad cause I got an image  
And you look like Uncle Phil  
I'm a fresh prince I'm Will  
Neck and wrist on chill  
These hoes can't tell the truth  
You fucked him that's cool

You gone make that nigga expose you  
Like your head a lie  
Your pussy a lie  
And I don't want none of it  
These niggas a lie like they put me on  
And ain't did none for me  
When I said I needed a plug  
I really wasn't looking for him  
I got a plug right here in Memphis  
Just trying to make sure my people was on  
Yeah I'm striped up around the city I ain't got Adidas  
What the fuck these all these haters on  
I just got a couple questions for em'
