

# Under Influences

Moneybagg Yo

Let's double our cups  
Let's drink up some drank  
Let's get under influenced  
My dick is a drug  
She say she in love that bitch under influenced  
Pop a zan  
Pop a perk  
Pop a molly  
Paparazzi, Paparazzi  
I know they watching

Under influenced on the medication  
Won't give up on drugs I'm so dedicated  
Turning up cups and blunts in rotation  
Everybody on some it's a celebration  
Then we put her in rotation like a blunt  
All she wanted was a zan  
All she want a Percocet  
Got on her knees and blew me like a fan  
Shawty mind gone like a motherfucker  
Cause now she want me as a man  
Said she wish she could buy it out the store  
She wish my dick come in a can  
I'm blood walking, Sipping grape street  
And it's hella tasty  
Dozing off, hella faded  
Hella lazy  
I pop me a tab and fuck on that thot like I love that hoe  
If it's A1 I hit her right back like I want some mo'  
This just how I live 24/7 I'm popping seals  
And smoking by Bob Marley and this shit here harder than Holyfield

Let's double our cups  
Let's drink up some drank  
Let's get under influenced

Bad bitch named Christian  
She sucking dick just to hit a cup  
Ooh lil mama be turning up  
We shoot a film when she get with us  
She do the team she don't give a fuck  
Just like my cup mane she double up

She going hard to the runner up  
Just like the loud mane we burn her up  
I be swerving in traffic  
I might catch me a DUI
