I met Kelsey through my cousin  
Pretty but the bitch ain't shit  
Too much foul play a fuck the game up  
Sat her on the bench  
Phone on dnd don't wanna talk bitch think I turned it off (sike)  
Popping up at the spot beating on my door like I done broke the law (twelve)  
Money go hand in hand bitches go man for man and fuck off hype  
These hoes a risk they whole damn life for just one night (yup)  
Seen it with my own two eyes you can't convince em' to do right  
And you ain't gotta be her type if you got money you what she like (gas)  
Speak  
Snitching on me to my bitch that's just like telling the police  
She say she not gone hold her breath been waiting on time for two weeks  
Only love me while we fucking after that she tired of me  
Ok cool fine with me yo nigga ain't who I'm tryna be  
Green eyes good hair I'm tryna picture our daughter  
Laura speak that Espanola she from Miami florida  
I respect her mind she know her worth and she stand on morals  
I can't make this up sephora baby pussy bora bora water

Crazy bitch Latifah say I'm just a liar, cheater, and a dog  
Hitting her from the back stand on my tippy toes she kinda tall  
Braids to the back ever catch me in the act she gone set it off  
I'm careful how I fuck with her tho she might go and tell my business to the

blogs  
Smoking blunts (gumbo) chilling with this vibe  
She like you gotta be special cause ion be outside  
Caught a uber just to get some d cause she ain't have a ride  
Off the slurp it took me long she like bae my jaws tired ugh  
Broke her lease cause she just wanna live in my skin (attached)  
Talk to me about anything we lovers and friends  
Taqisha that's my g she think she too p'd in  
I rubbed off on her now she act like me that's my twin  
My lil key playa  
Nicki texting back to back like where her dick act  
He ain't seen her since I took where ya bitch at  
Quit lurking  
Where the percs at I pop one before sex  
On top of her swapping spit she say that get her more wet  
Ugh ugh ugh
