

Breadmaker

MoneySign Suede

(Xavier)

(Coronado)

I be so fly, I'm a neck breaker
I don't give a fuck, I'm a bitch taker
Nigga like me, I get this money, I get big paper
It ain't only love, I get hate, I got big haters
You ain't chasin' money, lil' nigga, you a bitch chaser
I'ma pull it with a stick, big stick with a red laser
I was just born to be a bread maker
When I pull up on these niggas, I'm a bread taker

I'm in the game, you in the game, but we don't play the same
Niggas rappin' this and that, but never been through no rain
I don't even got a charm, ain't even gotta wear chains
I ain't like these other rappers, I ain't gon' change with the
fame
I don't gotta wear designer, bitches still give me brain
I ain't gon' lie, when I was in jail, I kinda did lose my faith
I don't know if niggas real just want a piece of my cake
They ain't wanna see me make it, now they see me on stage
I'm still at the block by the corner store
I gotta always look around when I step on my porch
I know these niggas mad 'cause I'm goin' on tour
They gon' wanna try to get me 'fore I hop in the Porsche
I don't even care, I always stay with my torch
I came a long way, I swear to God, I was poor
I be layin' down, I be gettin' to the bread
I be so fly, so I got wings on my neck

I be so fly, I'm a neck breaker
I don't give a fuck, I'm a bitch taker
Nigga like me, I get this money, I get big paper
It ain't only love, I get hate, I got big haters
You ain't chasin' money, lil' nigga, you a bitch chaser
I'ma pull it with a stick, big stick with a red laser
I was just born to be a bread maker
When I pull up on these niggas, I'm a bread taker
