MoneySign Suede

I said I was gonna stop, but I can't
It's like I always gotta stay with my thang
I be going back to back, for the bag, to the bank
Nigga this a foreign I ain't sliding in no [?]
How you say you wanna make it
But your mind is always blank
I'm a nigga at the park, nigga the park our land
They like 2022 no xans
Who this nigga think he is c'mon nigga come get [?]

I love to flex cause I ain't never had shit
Ay, I had to go and get my bag, bitch
I flip money like a burger, make it do a backflip
Ay, you wanna see me slide with a fuckin' bad bitch?
Bitch, I'm smokin' gas ion vape
My nigga just got life, he got no date
My niggas don't even care, cause niggas this the game

Ay, I be gettin' chicken, no canes
And my niggas with the shit, no brains
I got a lot of shit to do, to prove!
Ay, I be makin' moves I don't snooze
I'mma go and hit a lick, no stu'
They like 'Suede you gotta change!'
