Shit ain't perfect, shit ain't sweet but I can't complain

But I gotta start going to jail with these fuckin lames
Ain't no more loyalty, they change in the day
Don't call me bro, don't call me gang, we is not the same
I know you been hating since way back
If you want beef then just say that
Niggas do it for the clout, man I ain't even want this face tat

Fiend the the siloh, homie's locked up [?]
I put the city on the map, but from the map they wanna erase me
You can try to swing, but niggas know that nigga crazy

You wanna be me, just know it take time

All that hate really push me to the limit
