Aye look aye
That shit crazy how shit changes
All the love phase away all the pain erases
When shit hits the fan is when it get the strangest
But at the end of the day is just all faces
Lil nigga like me I never been basic
I don't want to see your face I want blue faces
Lil nigga like me I gotta rock the latest
I gotta go and get rich before my mom ages

But I ain't gon lie for this shit you gotta be patient
I been going in niggas think of racing
Niggas wanna be around but wasn't around when it was raining
I prey to God but I be acting like satan
I prey to God but I be acting like the devil
They like suede you just came out why you still sliding with a metal
Ima pull up on a nigga I ain't gon think ima let go
Pull up on a nigga like a dell nigga hello
Ima make his body flop like jello
If you a parkside baby he a rebel
If you a parkside baby nigga with it
Niggas wanna come around cause we winning
I prey to God but a nigga still sinning
He be talking bout the mix but he ain't in it
