I don't know why you got my mind like you control me
I could give you what want and bae you wouldn't owe me
Baby ima joint in these streets and you a trophy
Come and hold me down bae
Come and show me
But I had bitches say they love me and right now I'm bout my lonely
Come and show me that your different that's what everybody told me
2022 it's like everybody folding
Come and show me love put your body on my clothing

I don't wanna argue
I don't wanna fight
But I know fucked up so I gave you the right
Let's be happy in the day, make love at night
For all them days I was in joint I wasn't by your side
The way you blow my mind it's like dynamite
I ain't never knew that I had this type
Baby you know it's me don't live a regular life
But on the same time I ain't a regular guy
I can't make up my mind
I don't know what to do acting
I wanna walk away but I be like I'm cool
I ain't gon find no one else like you
All the memories we had that shit hurt me when they flew

Lately I been getting to it I don't waste time
Shawty on my mind she on my waistline
Don't listen to them hoes cause they gon hate you
Keep it real with me don't want the fake you
It's been a minute since I had some love
Thought you was forever but you chose her
I ain't even tryna flex but now we going up
I ain't even tryna stretch shawty don't act up
Like I admire you baby
Everything you do lately
Ima suck that pussy good until yo snooze baby
Ima fuck that pussy good until it drool baby
Aye, come to war with me I never lose baby

I don't know why you got my mind like you control me
I could give you what want and bae you wouldn't owe me
Baby ima joint in these streets and you a trophy
Come and hold me down bae
Come and show me
But I had bitches say they love me and right now I'm bout my lonely
Come and show me that your different that's what everybody told me
2022 it's like everybody folding
Come and show me love put your body on my clothing
