

## Different Now

MoneySign Suede

You know?

Things gon' happen, things gon' change  
You know I'm talking 'bout fly, yeah  
Yeah, ayy

It's a little bit different now, but it's okay (But it's okay)  
Baby, we gon' live it up, I'm coming home late (I'm coming home late)

Don't let 'em hold you back and do it your way (And do it your way)

I'll do it my way, ayy, ayy (I'll do it my way), I'll do it my way (Ayy, I'll do it my way)

It's a little bit different now, but it's okay (But I'm doing okay)

Baby, we gon' live it up, I'm coming home late (I'm coming home late)

Don't let 'em hold you back and do it your way (And do it your way)

I'll do it my way, ayy, ayy (I'll do it my way), I'll do it my way (I'll do it my way)

They don't wanna see you succeed (See you succeed)

I did it, finally (Finally)

But I think I got lost in between (I got lost in between)

I think I got lost in between (I got lost in between)

My thoughts just be fucking with me (They be fucking with me)

I really don't know what I need (I don't know what I need)

I need me some love, I won't leave (Some love, I won't leave)

I need me some love, I won't leave (Some love, I won't leave)

My phone on DND, I'm countin' up racks (I'm countin' up racks)

Everybody rides 'til the wheels get flat ('Til the wheels get flat)

Took an L, bounced back, and I laughed (Ha)

These rap niggas really ain't livin' like that (They ain't living like that)

I sticked to my ways and made somethin' happen (Made somethin' happen), I knew I was destined for this (Destined for this)

Don't ask me for love 'cause I don't have it (I don't have it), ain't falling for none of your tricks

You and this bottle

Lookin' like we hit the lotto

I can be your hustler and you can be my model

You could've been-

Ayy, you could've been-

It's a little bit different now, but it's okay (But it's okay)  
Baby, we gon' live it up, I'm coming home late (I'm coming home

late)  
Don't let 'em hold you back and do it your way (And do it your way)  
I'll do it my way, ayy, ayy (I'll do it my way), I'll do it my way (Ayy, I'll do it my way)
