

Keep It Real

MoneySign Suede

I appreciate my niggas that keep it real (That keep it real)
If you feel some type of way, just keep it real (Just keep it real)
Let's not argue about a bitch, just keep it real (Just keep it real)
I signed a deal and I'm still here, I keep it real (I keep it real)
I'm 'bout to make it, y'all gon' be with me in the hills (In the hills)
I was sober for a minute, but today, I need a pill (I need a pill)
I wanna make it, help my people with they bills (With they bills)
And she wanna put her pussy on my grill (On my grill)

I signed a deal, I'm in the hood like I didn't (Like I didn't)
Niggas wanna play, well, okay, you know I'm in it (You know I'm in it)
You say you wanna make it, but you sittin' (You sittin')
I said I wanna make it, but I'm sinnin' (I'm still sinnin')
Niggas wanna play, well, me too, I got a team (I got a team)
She like, "Stop lying, I can tell you're off a bean" (You're off a bean)
I just wish you were in my sight so you could see (So you could see)
I know you ain't seen what I seen (What I seen)
I been getting it, they don't know where I stay (Where I stay)
I'm on this ankle monitor, I still can't even lay (Damn)
I got a lot of pain, life swinging through my brain (Swinging through my brain)
I got a homie on death row just waiting for his day
Everybody changed, my circle got smaller (It got smaller)
You gotta cut the fake off if you wanna be a baller (A baller)
I'm 'bout to put some diamonds on my collar (On my collar)
You only pop it on the 'Gram, you are not a gun popper
Let's slide to they block, make a left (Make a left)
I saw his sister, if I didn't, he would've been dead (He would've been dead)
Like niggas ain't sipping when they spill red (When they spill red)
Why you talkin' 'bout Dez? I don't know and, shit, my head (Shit, my head)
My nigga bought a vest and got picked up by the feds
I just had a dream I had a party in a jet
I remember not too long ago, I couldn't pay rent
I been going through a lot, but I'm the chosen one, I'm blessed (I'm the chosen one)

I appreciate my niggas that keep it real (That keep it real)
If you feel some type of way, just keep it real (Just keep it real)
Let's not argue about a bitch, just keep it real (Just keep it real)
I signed a deal and I'm still here, I keep it real (I keep it real)
I'm 'bout to make it, y'all gon' be with me in the hills (In the hills)
I was sober for a minute, but today, I need a pill (I need a pill)
I wanna make it, help my people with they bills (With they bills)
And she wanna put her pussy on my grill (Parkside Baby, ayy)

Parkside Baby, ayy

Parkside Baby, ayy
