

# Getaway

Monica

Started as a little girl  
Singing so changed my world  
Flipped my world upside down  
I got lost and I couldn't be found  
So much on my shoulders  
So much on my mind  
Since no one can help me  
I think I just need some time

Sometimes I wish I could hide away  
Looking for a place to getaway  
Getaway from all the heartache and pain that life can bring  
I really don't want to sound  
Like I can't hold my ground  
But everybody needs some time  
That they can getaway

Sometimes I wish I was invisible  
'Cause then no one will know  
Where I am to ask me for anything  
'Cause I've given so much of me  
When it's a time for me to receive  
'Cause Monica has her needs  
Who's going to look out for me?

Sometimes I wish I could hide away  
Looking for a place to getaway  
Getaway from all the heartache and pain that life can bring  
I really don't want to sound  
Like I can't hold my ground  
But everybody needs some time  
That they can getaway

You know I'm not superwoman  
And I'm not made of steel  
I try my best to handle  
All I have to deal with  
It's not as easy as it seems  
And to think this was my dream  
Now for everything I have I'm grateful  
But sometimes I want to get away

Sometimes I wish I could hide away  
Looking for a place to getaway  
Getaway from all the heartache and pain that life can bring  
I really don't want to sound  
Like I can't hold my ground  
But everybody needs some time  
That they can getaway

Sometimes I wish I could hide away  
Looking for a place to getaway  
Getaway from all the heartache and pain that life can bring  
I really don't want to sound  
Like I can't stand my ground  
But everybody needs some time  
That they can getaway
