Inside...  
Inside...  
Inside...  
Inside...

Last night when I saw you  
With somebody new  
You asked how I've been  
And I, I told you I was fine  
And as you held each other close  
I smiled and said it's good to see you  
And you didn't know

Inside  
I'm cryin' baby  
Inside  
I'm dyin' baby  
I don't wanna let you see  
Baby what you've done to me  
So I keep it all inside (inside)  
Inside (inside)

Sometimes when you call me  
I don't know what to say  
You say I've been on your mind  
And we'll talk again sometime  
You say you're glad we can be friends  
I say I'm over all the heartache  
But it's all pretend

Inside  
I'm cryin' baby  
Inside  
I'm dyin' baby  
I don't wanna let you see  
Baby what you've done to me  
So I keep it all inside  
Inside

Outside I'm smilin' baby  
Outside these tears just can't be found  
But I'm just breaking down

INSIDE  
Don't you know that I am dyin' baby (dyin' baby)  
I don't wanna let you see  
Baby what you've done to me  
So I'll keep it all INSIDE

Yeah, I'm cryin' baby  
Inside  
I'm dyin' baby  
I don't wanna let you see  
Baby what you've done to me  
So I'll keep it all inside  
I'll just keep it all inside  
Inside
