You remember when I was just a young one
And I was to afraid to quickly let you show me thangs

Hol up, Hol Up
Big show DJ's
This joint so crazy put the needle back on the record let's do a double take

Now listen baby im a dirt bag
I don't know the different faces, I cant take it
But I got a jeep, so you lead and I'll follow
Lunch up in a diner, if ya act right we dine in the Bahamas
Now wow lil momma, im a gangsta
Anywhere ya wanna go imma take ya
Oh my god you caught my eyes like from 20 yards
You so damn fine
Listen I don't eat peaches but the way you look to night
I just might take a bite
Come closer, feel that
It's a woman and a man and a latex
Out the shower, hotel flowers on the bed,
Choice of wine white or red
What more can I say
Monica, DirtBag, ATL MIA

You remember when I was just a young one
And I was to afraid to quickly let you show me thangs
Not sure if I was ready for some good love, and im bout to set it off
Can you please be gental cuz I am the fragile kind
And even tho im ready for the move of my time
Now buckle up yo seat while I set it off

Baby let me set it off, do you mind it I get it off
Set it off, set it off
All it takes is one phone call, if you wanna get it on
Set it off, set it off

I know your anxious but please lets make a compromise
Im so energized All in my neck my back my thighs
Make sure the lock is safe before I set it off

Baby let me set it off, do you mind it I get it off
Set it off, set it off
All it takes is one phone call, if you wanna get it on
Set it off, set it off

Now imma get it , you can tell them Mo Said it
And you betta not forget it, now don't sweat it
And we can really go at it, if you let it let's protect it
Now I bet it be good is you ready
But the jump of heavy, my style varies
The club down I shut it, how I do it
I set it in me

Baby let me set it off, do you mind it I get it off
Set it off, set it off
All it takes is one phone call, if you wanna get it on
Set it off, set it off

I will set it off
I will set it off
