

Sick And Tired

Monica

There were times when we use to go out
Now all we do is scream and shout
Use to buy me things and give me compliments
Now everything's an argument
Tell me where it ever went wrong
Because I don't want to be another couple that you hear in a sad song
Why can't we communicate
Before it's much too late

And I'm sick of playing games
Sick of waiting by
Other times we cool
Half the time we're not
Sick of crying all these nights
I'm sick of being sick and tired

And I'm sick of all these rules
I'm sick of all these lies
Half the times we cool
The other times we're not
Sick of waiting all my life
I'm sick of being sick and tired

Remember when we used to have fun
I know you can't even remember the last time
I know you're seeing someone
Cause you been walking around like everything is just fine
What the hell have I've done
For you to have me feeling like I'm losing my mind
I don't want to be with no one
But you always frontin' on being nice

And I'm sick of playing games
Sick of waiting by
Other times we cool
Half the time we're not
Sick of crying all these nights
I'm sick of being sick and tired

And I'm sick of all these rules
I'm sick of all these lies
Half the times we cool
The other times we're not
Sick of waiting all my life
I'm sick of being sick and tired

I never did ask for nothing
But I can tell your going through something
Now why would you risk me leaving our home
I hope you put your thought into this
Cause when I'm gone I know that you'll miss
All my love
Cause baby when it's gone I'm gone gone gone gone gone I'm gone gone gone I'
m gone

Said that I'm sick and tired of all the lies
Can't do it no more

Said I I can't do it no more
I'm so, so, so, so tired
Ladies,ladies, ladies help me sing I'm

And I'm sick of playing games
I'm sick of waiting by
Other times we're cool
and other times we're not
I'm sick of crying all these nights
I'm sick of being sick and tired

And I'm sick of all these rules
I'm sick of all these lies
Half the time we're cool
And other times we're not
Sick of waiting all my life
I'm sick of being sick and tired
