

# Take Him Back

Monica

If he keeps changing for no shoes, I need 2  
Come right back at me alone again  
Maybe I didn't need the use, out of him  
Didn't come with no type of warranty

There's no one  
That I adore  
More than your love  
It hurts me more  
To let you down  
And again  
There's no one  
Who could ever  
Show me the  
Way to never  
Try someone  
Better than you

Should I take him back  
After what he did  
Hurt me in ways that I  
Can't begin to replace  
How I feel so I'll just go away

Should I take him back  
After what he did  
Hurt me in ways that I  
Can't begin to replace  
How I feel so I'll just go away

Don't wanna go through the same games, again  
He's no good and that's just it for me  
Does it everytime he returns, there's no use  
I'll just be the one left in the end

There's no one  
That I adore  
More than your love  
It hurts me more  
To let you down  
And again  
There's no one  
Who could ever  
Show me the  
Way to never  
Try someone  
Better than you

Should I take him back  
After what he did  
Hurt me in ways that I  
Can't begin to replace  
How I feel so I'll just go away

Should I take him back  
After what he did  
Hurt me in ways that I

Can't begin to replace  
How I feel so I'll just go away

Should I take him back  
After what he did  
Hurt me in ways that I  
Can't begin to replace  
How I feel so I'll just go away

Don't wanna go through the same thing  
The memory remains  
Don't wanna through the same games

Should I take him back  
After what he did  
Hurt me in ways that I  
Can't begin to replace  
How I feel so I'll just go away

Should I take him back  
After what he did  
Hurt me in ways that I  
Can't begin to replace  
How I feel so I'll just go away

There's no one I adore  
And you know it hurts me more  
To let you back into my life  
You ain't never treat me right

There's no one I adore  
And you know it hurts me more  
To let you back into my life  
You ain't never treat me right

Should I take him back  
After what he did  
Hurt me in ways that I  
Can't begin to replace  
How I feel so I'll just go away

Should I take him back  
After what he did  
Hurt me in ways that I  
Can't begin to replace  
How I feel so I'll just go away
