## I Love You

## **Monita Tahalea**

Like a tears in the sand You put my life in your hand I know I will lost without you

Knowing that you are near
It makes my life feels complete
Love will stay and find the way
Love will guide you through your day

## Oooh

I love you
You know it's true
Oooh
Loving you
Loving you
Loving you...

## Oooh

I love you
You know it's true
Oooh
Loving you
Loving you
Loving you
