Sister I don't hear you speak  
sister I don't see you seek  
oh sister in the eldest rite  
sister you are jeopardized tonight

we see the keeper come  
we see the keeper come

Brother can't you talk to me  
and brother won't you learn to see  
oh brother this is not my war  
but brother who do you think you're dying for

we see the keeper come  
we see the keeper come

A great big veil a great big tale  
a great big lie a great big bale  
a great big veil a great big tale  
a great big place a great big jail
