

Neat little girl
What do you hope for
What do you long for
And what do you need
Neat little girl
What do you live for
What do you seek

Neat little girl
What do you die for
What do you cry for
What do you seed
Neat little girl
What do you savour
And who will you be

You want more
This is my empire
My empire of delight
You get more
This is my empire
And you're my queen tonight
If you believe
If you believe in me

Sweet little girl
What do you wait for
What do you pray for
And what do you aim
Sweet little girl
Who will you shelter
And who will you blame

Sweet little girl
What are you made for
What do you pay for
And what do you see
Sweet little girl
Who'll you mutate to
Who will you be

You want more
This is my empire
My empire of delight
You get more
This is my empire
And you're my queen tonight
If you believe
If you believe in me
