

My Sick Mind Tv

Mono Inc.

I can get no sleep I can't see the light I can't stop the itch
I can't temporize
I can't heal myself I can't stop the greed I can't sympathize I
can't love
So do you really want to change with me?

Come walk in my shoes for a little while
And sink in my pain
Come walk in my shoes for a little while
You're welcome to my brain
Hear what I hear
See what I see
On My-Sick-Mind-TV
You don't want to be me

I can't rest in peace I can't change the world I can't stop the
jolt I can't say those words
I can be no good I can't stop to scream I can bring you down I
can't smile
So do you really want to change with me?

(2x)
