

Out in the Fields

Mono Inc.

It doesn't matter if you're wrong or if you're right
It makes no difference if you're black or if you're white
All men are equal till the victory is won
No colour or religion ever stopped a bullet from a gun.

Out in the fields - the fighting has begun
Out on the streets - they're falling one by one
Out from the skies - a thousand more will die each day
Death is just a heartbeat away.

It doesn't matter if you're left or to the right
Don't try to hide behind the cause for which you fight

There'll be no prisoners taken when the day is done.
No flag, no uniform ever stopped a bullet from a gun.

Out in the fields - the fighting has begun
Out on the streets - they're falling one by one
Out from the skies - a thousand more will die each day
Death is just a heartbeat away.

There's no communication
No one to take the blame.
The cries of every nation they're fallin' on deaf ears again.

Out in the fields - out in the fields -
they are falling one by one.
Out in the fields -
no flag has ever stopped a bullet from a gun.
Death is just a heartbeat away.

Out in the fields - a heartbeat away
Out in the fields - death is just a heartbeat away
Out in the fields - a heartbeat away - out in the fields.
Out in the fields - the fighting has begun
Out on the streets - they're falling one by one
Out from the skies - a thousand more will die each day - out!
