

## Amniotic

Monolink

Gliding through amniotic seas  
Tempting words she sings to me  
It's calling, it's calling away  
It's calling, it's calling away  
I'm falling, I'm falling away

Crest of wave, on to the shore  
Hold your breath, you've been here before  
It's calling, it's calling away  
It's calling, it's calling away  
I'm falling, I'm falling away
