

# Falling

Monolink

I'm falling, I'm falling down  
Can you keep your head above the ground?  
I'm drifting, I'm drifting out  
'Cause you're taking me for someone I'm not

Down inside your haunting eyes  
I don't know who I am  
Take my word into white lies  
I'm falling in your hand

Am I going insane?  
Insane  
Insane  
Insane  
Am I going insane?

We're falling slow  
When love is all we know  
I hope for me to grow  
I hope for me to grow

I'm falling, I'm falling  
I'm falling, I'm falling  
I'm falling, I'm falling  
I'm falling, I'm falling, falling

Down inside, two worlds collide  
There's nowhere I can stand  
Take my words into white lies  
I'm falling in your hand

Are we going insane?  
Insane  
Insane  
Are we going insane?  
Insane  
Insane  
Insane
