

Harlem River

Monolink

Harlem river, talk to me
Tell me what you think about
Harlem river, I'm in love, love, love, love
Harlem river, talk to me
Where are we headed now?
Harlem river, I'm in love, love, love, love
All because of you

In my pearl and my diamond shoes, I
Climbed a cloud, now I stole the moon
Harlem river, tell me, is it true?
And Harlem river, swallow me
Put your hands around my neck
And Harlem river, I can't breathe
They've got the lights down now
All because of you

I don't know
I don't know
Just where I'm going
Or where I've been
I don't know
I don't know
Just where I'm going
'Cause I've never been
Oh, Harlem river
Like a diamond

Harlem river, talk to me
Where we at it now?
